

IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEW JERSEY

DONALD J. TRUMP FOR PRESIDENT,  
INC., REPUBLICAN NATIONAL  
COMMITTEE, NEW JERSEY  
REPUBLICAN STATE COMMITTEE,

Plaintiffs,

v.

TAHESHA WAY, in her official capacity  
as Secretary of State of New Jersey,

Defendant.

No. 3:20-cv-10753-MAS-ZNQ

**DECLARATION OF BRYAN WEIR**

I, Bryan Weir, declare:

1. I am an attorney at the law firm Consovoy McCarthy PLLC, counsel for Plaintiffs in the above-captioned action. I am over the age of eighteen and I have personal knowledge of the following facts. If called as a witness, I could and would competently testify thereto.

**A. Local Rule 65.1 Certification.**

2. Expedited relief under Local Rule 65.1 is needed. Plaintiffs filed this action after Governor Murphy unilaterally changed New Jersey's election procedures via an Executive Order. Exec. Order No. 177 (Aug. 14, 2020), <https://bit.ly/30ZjBaj>. Among other things, that order provided that "every ballot without a postmark ... that is received by the county Boards of Elections from the United States Postal Service within forty-eight (48) hours of the closing of polls on November 3, 2020, shall be considered valid and shall be canvassed, assuming the ballot meets all other statutory requirements." *Id.* ¶14.

3. Plaintiffs filed this lawsuit on August 18 to challenge the Order on several grounds, including that the Governor is barred by the Elections and Electors Clauses of the U.S. Constitution from unilaterally changing New Jersey's election laws. *See Doc. 1.* Shortly after this lawsuit was

filed, the New Jersey Legislature moved toward codifying its substantive provisions, including the provision that mandates accepting unpostmarked ballots up to two days after Election Day.

4. The Legislature passed that law on or about August 28th and the Governor signed it shortly thereafter. *See An Act Concerning the Establishment of Mail-in Ballot Drop Boxes Before Each Election and Vote-by-Mail Procedures for the November 2020 General Election, NJ LEGIS 72 (2020)* (“A4475”).

5. Unexpectedly, and unlike the Governor’s Executive Order 177, A4475 contained a new provision that allows election officials to begin counting ballots 10 days before Election Day. A4475 §2(m). News reports recounted how this provision was quietly inserted in the bill just prior to voting. *See, e.g., R. Crespolini, New provision could see vote counts leak before Election Day, Mendham-Chester Patch (Sep. 3, 2020),* <https://bit.ly/2FzvBaG> (“A provision to allow mail-in ballots to be opened and counted up to 10 days before the general election was quietly inserted by Democrats into A-4475, a measure concerning the placement of election drop boxes for delivering mail-in ballots. The legislation was amended, adopted, and signed into law in short order with no public mention of the provision’s addition to the bill.”).

6. In light of the new legislation, Plaintiffs reevaluated their claims and filed an Amended Complaint on Friday, September 11. *See Doc. 33.* The new complaint removed the original first two counts related to the Governor’s authority under Electors and Elections Clause, and added a new count challenging the new provision permitting election officials to begin counting ballots 10 days before Election Day. *See Doc. 33 ¶¶109-12.* The accompanying motion challenges that new provision, as well as A4475’s requirement that election officials count unpostmarked ballots that are received within two days of Election Day.

7. Expedited relief is needed because the Election Day is on November 3, 2020, and election officials will begin counting ballots on October 24, 2020. In order to ensure that all parties

have the ability to seek appellate review (albeit on an expedited basis), Plaintiffs respectfully believe the parties need a ruling from this Court by October 5, 2020. But under the Court's standard rules for motions, the earliest hearing date would be at least 24 days from today, which means briefing would conclude after October 5. *See* L.R. 7.1(c)(1). Expedition is therefore necessary to allow the Court sufficient time to consider the parties' arguments and rule on Plaintiffs' motion in time for the parties to preserve the parties' ability to appeal.
